**PRESIDENT'S MESSAGE**

Summer greetings to all Horseshoe Pitchers of Iowa – Members and Non-Members.

Every one of you made us proud of you and your participation in the many events at the IOWA STATE FAIR. Your sportsmanship on the courts is something to be envied by other sports – the friendship, win or lose – the handshake before and after the game. This was great for our sport and the Iowa State Fair. Thanks guys and gals!

Never have we had as many Radio and TV Stations and the DES MOINES REGISTER coming to the courts to see for themselves just what makes this sport one of the best games designed for all ages. What a health-building sport, old and young, girls and boys and all those people in-between! They gave us great publicity with their news items and stories in print.

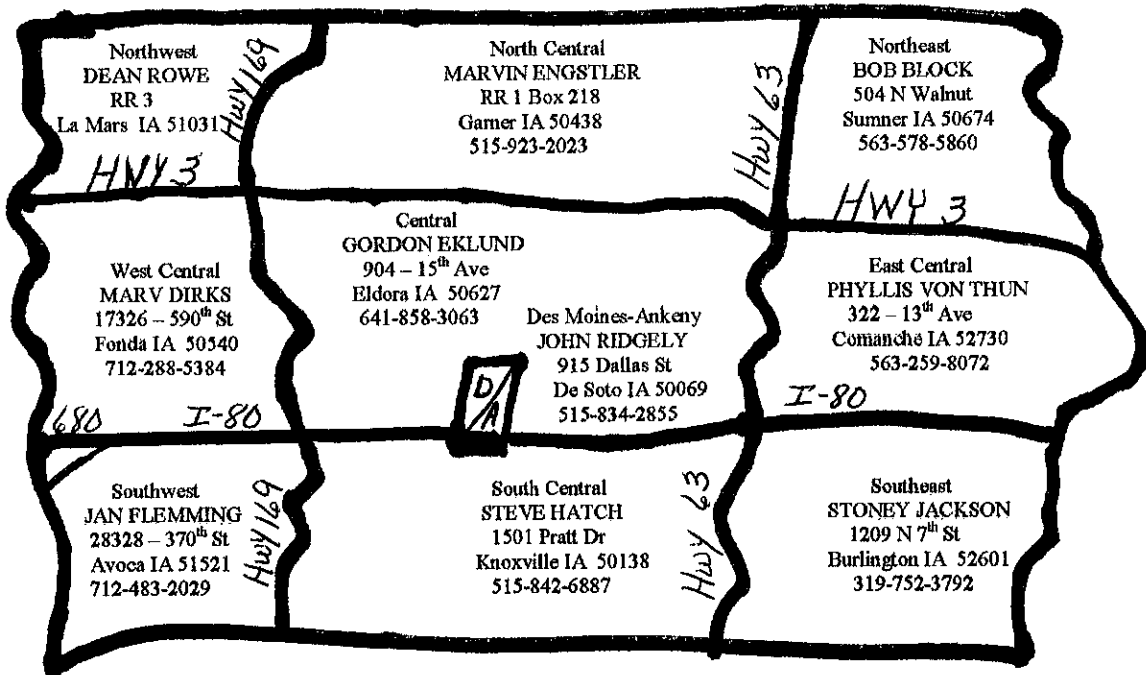

The IOWA STATE FAIR 10-day event has to be the attention-getter for our sport. We had a great display of our history in the Hall of Fame trailer, the work of Don and Mic Wilson of Greenfield. They say they have much more material given to them from other player's families and friends and that they need more space to display it as it should be. Looks like they need a larger trailer.

This Iowa State Fair event was a great success. Danny Sease, State Fair Superintendent of Horseshoes, his wife, Bobby, and desk helpers Maxine Cross and Kristy Klejch; groundskeepers, Ron Utley, Marvin Stracke, Brett Robb, Harold Garner and Dean Fortune. Also, Russ Martin, Secretary-Treasurer, was a lot of help. Their mission was to put on a great tournament with substance and style and they accomplished it!

Our Association's next event is the 2002 CLAY COUNTY FAIR, Spencer, Iowa, the World's greatest county fair. The 38<sup>th</sup> annual Horseshoe Pitching Contest features nine days of horseshoe pitching for those people who like to "Horseshoe" and vacation, this is made for it. Not so hectic, but throw great horseshoes every day in generally cooler weather. They also have great livestock shows, rodeos, calf-roping, etc. and many fancy horse shows – all close to the courts. There will be a full-page of events in this Newsletter.

Saturday, September 14<sup>th</sup> and Sunday, September 15<sup>th</sup> is Iowa Hawkeye Horseshoe Pitchers and Clay County Fair Quad-States Regional Horseshoe Championships. Marvin Dirks, Tournament Director, along with Russ Martin, will make sure we have a first-rate tournament. You can ask your friends and neighbors to come with you. They'll have a great time and see a top event of the midwest.

See you'all there,  
Bob Walters, President

NEWS

I wish to thank everyone who sent cards and made phone calls during my recent surgery. Especially those who had me in their thoughts and prayers. It was very much appreciated. I am home and doing fine. I hope to see everyone on the courts very soon.  
Thanks much, Leo Buell

\*\*\*\*\*

As you know RAGBRAI came through north Iowa this year.

On the 24<sup>th</sup> of July, they came from Forest City, Nora Springs at noon and then to Charles City. I have never seen so many bicycles in my life.

When Nora Springs was planning for this, I made the suggestion of taking my portable horseshoe courts to our Boulder Park, when they had lunch and recreation for everyone.

I had my courts there by 8:00 in the morning. Many town kids came and had a good time pitching. Later George Christiansen, two pitchers from Osage, and myself started pitching and soon RAGBRAIers came and said "Say I want to try that too!"

That's the way it was the rest of the day. A group of Riders would try pitching and laughing at one another. It proved to be a great success.

Arnold K Hanson

From the Editor:  
What a wonderful idea! Maybe other pitchers in other towns can come up with ideas for events happening in their towns. Keep up the good work!!!

**UPDATE**

Here's an update on our membership. As of July 24<sup>th</sup> we have 246 members. Last year we finished out with about 233. We have 32 new members so far.

We're maintaining our record as in the past for losing 18 to 20 members a year. If we could plug that leak we'd eventually get back to a good membership.

Our tournaments in general continue a slow decline in number of pitchers.

**UPDATE(CON'T)**

Our indoor tournaments this past winter were respectable on Saturdays, but Sundays really suffered.

We went to Bob Block's in Sumner and only had 8 novice pitchers and 6 regulars. Bob goes to a lot of work and really does a great job. Then has such a small crowd.

We wish Leo Buell a speedy recovery from surgery.

Like everyone else, our investment has really tumbled.

Russ Martin, Secretary-Treasurer

**SUPPORT THE IHHPA!!!**

\*\*\*\*\*

On week-ends we visit the courts,  
With friends and foes, all good sports,  
Is there a friendlier game that we can share?  
I think not, that's why we're there.

IHHPA Pitcher

The poem on the previous page is for the many IHHPA/NHPA members who attend the many tournaments that are held throughout the year. Tournament time is a time to spend with longtime friends and a time to make new friends. Avid horseshoe pitchers are no different than avid golfers or bowlers, etc. We do it because we like it. I have had some fun with Part One and Part Two and when it comes down to it, it makes little difference how you deliver the shoe and what your ringer average is. We know what a great sport it is, the question is, why is it that more people are not drawn into our game at the competition level? More directly, why are the competitive numbers of sanctioned pitchers going down? The NHPA needs to find the answers, the IHHPA needs to find the answers, and we as members of both organizations need to find the answers. We need positive thoughts, ideas, and direction. "We may be down in numbers but with everyone talking and doing positive things to further the sport of horseshoe pitching, we will increase participation at the organized level."

The IHHPA has implemented some good promotions and is continuously looking at new methods to try. The NHPA, needs to do more. Why is it that we seldom read in the Newslite about what we are doing at the National level to try to bring our sport into the same level as bowling, golf, tennis, etc.??? It seems that this issue should be on the front burner and a concentrated effort from every NHPA officer should be their top number on priority. We all need to do more.

What would be wrong with each state association holding a brain-storming session with its elected officers and tournament directors. From these sessions the principal officer of each state would bring these collective ideas to a NHPA brainstorming meeting. Out of this session should come some directives and maybe we can see some action for a change. A typical idea that may just surface; The NHPA will try to find a sponsor to televise a World Tournament final game such as the one between Brian Simmons and Allan Francis. No sponsor? Then we the members foot the bill. Talk is cheap, everyone needs to do something. Think of this, invite a friend, neighbor, relative or fellow worker to meet you at the courts to learn the game of horseshoes. They may surprise you and accept your invitation. If they enjoy it and are interested, invite them to come with you to a tournament. While there, explain how the classes are comprised of pitchers within their skill level.

Leagues: I would bet that anyone contacting their cities Parks and Recreation Department would find a willing partner in recruiting individuals for a horseshoe league.

An interesting fact: How does the Iowa Sanctioned numbers compare with the surrounding states? (approximate totals from Nat Stat listings 6/16/02) Minnesota leads with 1,005 members, Missouri is next with 750, Illinois 450, Nebraska 222, Iowa 201!!! What does it cost to be a member? Minnesota - Adults \$22.00, Adults in same household \$17.00, Juniors free with Charter paying NHPA \$5.00. Missouri - Adults \$20.00, Juniors \$5.00. Illinois - Adults \$22.00 Juniors \$5.00. Nebraska - Eastern \$23.00, Western \$17.00 Juniors \$6.00. Iowa - Adults \$25.00 (includes cost of Newsletter) Second family member \$15.00 Juniors \$7.00. It appears that our dues are higher because we are not collecting as much money as Minnesota and Missouri due to lower memberships.

True story: I was in a meeting with the local Parks and Recreation making plans to present horseshoe pitching classes and it was to be advertised in their brochure they mail out to all residents. I was asked what amount of participation fee I would like to charge? I told them, nothing, that I wanted everyone to come and did not want a cost to keep them from coming. He said to me that that was OK but he had learned that when something is presented that is free the people think that it isn't going to be interesting because it didn't cost anything. If this is true maybe we need to increase the costs associated with our sport to be in line with other sports.

**WE CANNOT SIT BACK AND WISH ABOUT INCREASING OUR MEMBERSHIP. ALL OF US SHOULD BE DOING SOMETHING ABOUT IT!!!!**

Now, this is a true story. On July 25<sup>th</sup>, the day of our Thursday tournament, some of you might have seen the flock of buzzards flying overhead. I was sitting next to Art Brown and he said he thought they were circling his pick-up truck. I told him there was probably something in the back they were looking for. He said they were probably looking for HIM.

Since then the number has grown. Keith Baker counted 30 two weeks ago. Now today, Wednesday, following the Fair, Carl Kaiser and I were at the courts again. There were about 20 flying over the courts. One big buzzard came swooping in low and landed at the top of a tree not 20 ft.

from us. It suddenly dawned on me, this buzzard must have heard from the other buzzards that there was something dead down at the horseshoe courts and came down to take a closer look. He, or she, didn't stay very long because we wasn't saying anything to indicate there was something dead. I can just hear him reporting back to the other buzzards up above, "You guy's are pulling my leg. There isn't a thing dead down there let alone there being FOUR DEAD."

\*\*\*\*\* IOWA STATE FAIR \*\*\*\*\*  
AUGUST 8-18, 2002

With 178 entries in the Open Singles tournaments our total entries for 2002 was 489. This is an increase from 372 entries in 2001 of 117.

I know the Iowa Hawkeye Horseshoe Pitchers Association is excited to see an increase in players.

Everyone who was at the Iowa State Fair playing horseshoes was amazed at the fun new players were having playing this sport. We had numerous players who have never before even held a horseshoe. On Thursday the 15<sup>th</sup>, 38 Future Farmer Association members came and played a single elimination doubles tournament.

All of the new players in the open tournaments really enjoyed receiving an Iowa State Fair ribbon. Some comments were, "Do we really get a ribbon for playing?" Those ribbons were more exciting than the cash to come later. Of course, all their names also appeared in the Des Moines Register.

This year we photographed all the players and created a memory photo book for all to enjoy. It will be placed in the Iowa Hawkeye Hall of Fame trailer for many to enjoy.

We need to thank all the Iowa State Fair staff for all the many things they do for our sport in Iowa. Helping to put on this showcase of horseshoe pitching for all the people of Iowa. Many came by to take it in.

Also the visit of the Iowa State Fair Queen, Katie Lantz, of Calhoun County was thoroughly enjoyed by all the players.

This was just a great fair for all of the horseshoe pitchers who came and participated. We cannot forget the visit of National Hall of Fame member Glen "Red" Henton from Maquoketa.

Thank you everyone.

Superintendent of Horseshoes  
Danny Sease
