PRESIDENT'S MESSAGE

This winter has been the mildest weather we have had, but it would be nice to get some moisture. I would like to use the snow blower once this winter.

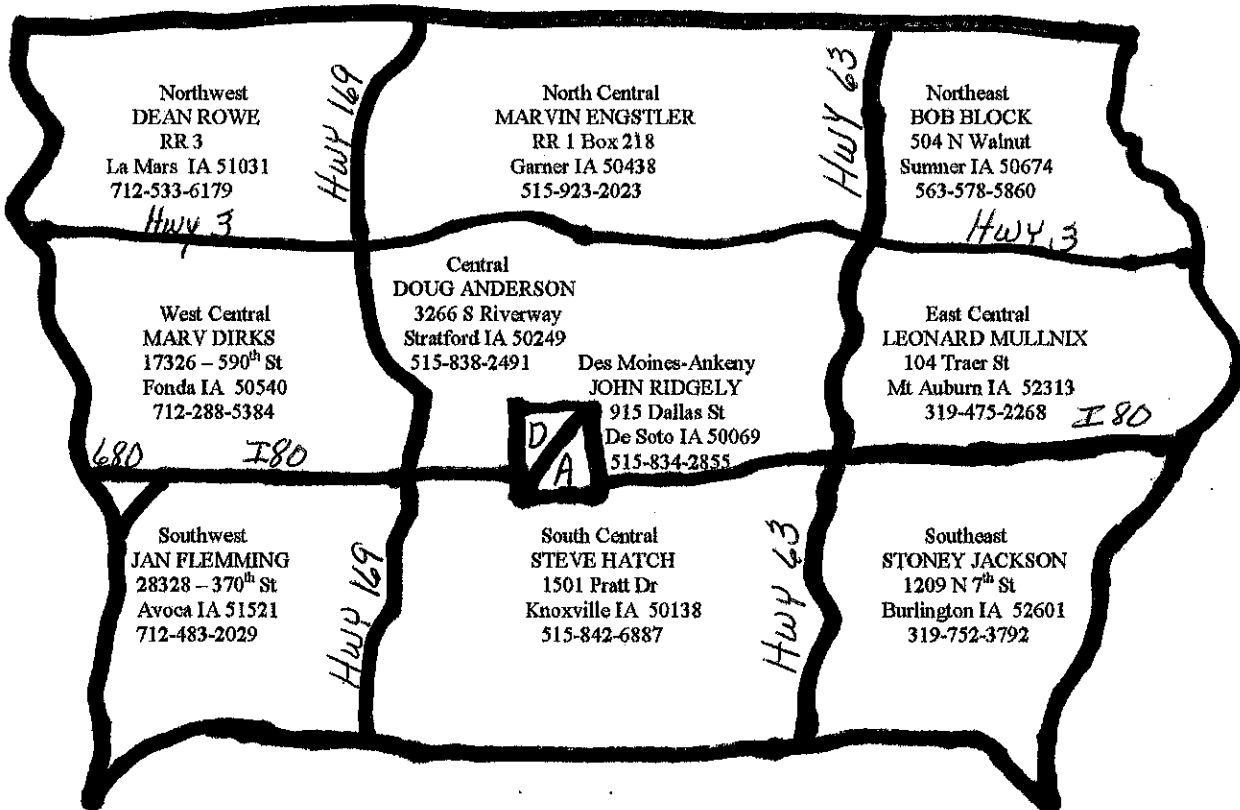

We are in the recovery mode. Faithe has been going 3 times a week for cardiac re-hab, mostly riding a stationery bike. Her medicine includes quite a few pills, but we believe that all the cards, letters, and visits were a great factor in giving her the urge to live. She misses the kitchen at the Horseshoe Tournaments, and hearing all the tales when they come in for a snack during the tournament.

2003 is starting off with several new members who are playing at the Indoor Tournaments. We have had a very good turn-out for our winter-time tournaments. If weather continues, this could be a record year for all of us. "Many Thanks!!!!"

Our next big event will be the IOWA WINTER GAMES, here at Eldora, Hardin County Fair Community Building, INDOOR ARENA. Those of you who have never been here, take a little time out and bring your friends for a visit. Following the Iowa Winter Games we will have a regular tournmanet, February 8th and 9th. We will schedule an EXECUTIVE BOARD MEETING, RIGHT AFTER THE TOURNAMENT, FEB. 8TH. All Officers and Regional Directors are urged to bring ideas to the table for our meeting, February 8, 2003.

This will be a very exciting year for the Iowa Hawkeye Horseshoe Pitchers Association! We welcome you to be with us as a player and a friend of Horseshoes!!!!

Bob Walters, President

IN MEMORY

Herman Beebe, age 92, died November 15, 2002 at St Lukes Hospital in Cedar Rapids, Iowa. Herman was formally from Center Point, Iowa and most recently resided in Vero Beach, Florida. He was a member of the Lake Worth Horseshoe Club. Surviving him are his wife, Gretchin, 2 daughters, 1 son, 7 grandchildren and 14 great grandchildren. He will be greatly missed by his family and friends.

Edward J Savery, age 89, died December 2, 2002. Ed was originally from Moorhead, Iowa, graduating from Moorhead High School in 1931. Ed farmed until 1947 when he moved his family to Denison, Iowa. He owned and operated a farm implement store and repair shop there for 29 years. After retiring in 1976 he took up horseshoe pitching. Ed and wife, Leona, moved to Marshalltown in 1990. He is survived by his wife, Leona, 1 daughter, Marilyn Wood, 1 son Melvin Savery, 5 grandchildren, 16 great grandchildren and a sister. We will all miss Ed around the horseshoe courts. Our thoughts and prayers go out to his family.

Thomas Harding Mueller, age 63, died December 28, 2002 at University Hospitals in Iowa City, Iowa. Tom was born in Burlington, Iowa. He was a U.S. Army veteran and worked as a boilermaker welder at the Burlington Northern Shops. He is survived by his wife, Mary, two sons, one daughter, two step-sons, one step-daughter, eight grand-children, one brother, and two sisters. Tom was a familiar face around the horseshoe courts in south-eastern Iowa and will be greatly missed. Our thoughts and prayers go out to his family.

I asked for all things that I might enjoy life,
I was given life that I might enjoy all things.
(prayer of an unknown confederate soldier)

THANK YOU

Thank you to all of the IHHPA pitchers for your kind expressions of sympathy at Tom's death. One of Tom's great loves was pitching horseshoes and he always looked forward to the summer tournaments. Your contribution will be given to the East Lake Horseshoe Court in Tom's memory.

Mary Mueller

Dear Horseshoe Pitchers and your spouses
A note of thanks is due
For all the attention I Received
From every one of you.

My heart attack was a surprise
And the complications were hard to surmise
But so many friends showed that they cared
As cards and food and visits they shared.

And the kitchen help who jumped in
To make sure no one stayed thin!
Hats off to you, you're one grand bunch
To donate all that food to serve for lunch.

Thanks to Russ and Izzy and Bob Block who cared
And Marion Mc Kee for the books she shared.
And for the card with every name
How many of you are in the Hall of Fame?

Just keep pitchin' - it keeps Bob young
No matter how many ringers he's rung!
He loves the support and fellowship
Of all you fellas and gals, that's it.

Thanks again for all your carin'

Hopefully, soon, kitchen chores I'll be sharin'
In the meantime, keep eyein' that stake
To see how many ringers you can make.

FROM THE FILES

The following article was sent to me by Joe Lepley. It was found in a desk in a house in Eldora and believed to be from the Des Moines Register. The date of September 4, 1935 was written on the article. Does anyone remember this?

IOWANS FINISH HIGH AT MOLINE
Allen Sets Horseshoe Mark

MOLINE, ILL. (AP) – Ted Allen, Alhambra, Cal. successfully defended his national horseshoe pitching title in the tournament which ended Tuesday turning back Harvey Elmerson, Milwaukee, Wis., 50 to 48, in his final match of the round-robin battle to finish with 21 victories and two defeats.

Elmerson would have tied the California sharpshooter had he been victorious in their match but Allen proved unbeatable as he hung up a new world's record for consecutive double ringers, wrapping 13 pairs in a row around the stake before missing. Allen earned \$290 for his triumph, \$50 more than Elmerson received for finishing second. The latter's final standing was 19 victories and four setbacks.

C. C. Davis, Kansas City, five times world champion, and Guy Zimmerman, Sac City, Ia., wound up in a tie for third, each having 18 triumphs against five losses. Casey Jones, the 16 year-old Waukesha, Wis., star who had kept pace with Allen in the early matches, slipped back into fourth place. He shared the position with Frank Jackson, Kellerton, Ia., both having turned in 17 triumphs and six defeats.

I just wanted to extend my Thanks to Harold Garner for his efforts and success in securing pictures for the Hall of Fame. He was able to get pictures of Charlie Foxx and Maurice Clark. This will help fill some of the blank frames.

Don Wilson, Publicity Director

The objective of all dedicated employees should be to thoroughly analyze all situations, anticipate all problems prior to their occurrence, and to have the answer to these problems along with sufficient knowledge to solve them.

However when you are up to your rear in alligators, it's difficult to remind yourself that the objective was to drain the swamp.
