**PRESIDENT'S MESSAGE**

It's a Hot Day in Iowa, it seems that these months just roll by, 31 days in nothing flat!!!!

A great number of you participated in what will probably be a record beater for number of players, sanctioned games and open horseshoe pitching. This Iowa State Fair was billed as "ONE IN A MILLION". The Horseshoe Exhibit was something we can all be proud of. "The Hall of Fame Trailer", the works of Don and Mic Wilson, was something we can all be proud of. They have worked at making it better each year and this year was no exception. A Great Job by Don and Mic Wilson!!!

This was the first year that all our stat's were run from Dave Sidles and the staff of Danny Sease. What an improvement over previous years. "These people know and understand how to make the computer kick out the results in record time!!!" In the open pitching, we picked up a lot of new players that seemed to really take to the sport. Practically all of our hand-out literature was put out to the public. I'm sure we'll see some results yet this fall or later on when we have our Indoor Tournaments.

I think it would be good if we write a letter to the Iowa State Fair and Thank them for all the plaques, ribbons and prize money that they put out to Horseshoe Pitchers in the State of Iowa. They help us a lot!!! Our courts are situated in one of the best locations for the public to see organized horseshoe pitching without costing them a dime. Many people you talk with, when asked how they got interested in the game of horseshoes, will tell you they first saw the game played at the Iowa State Fair.

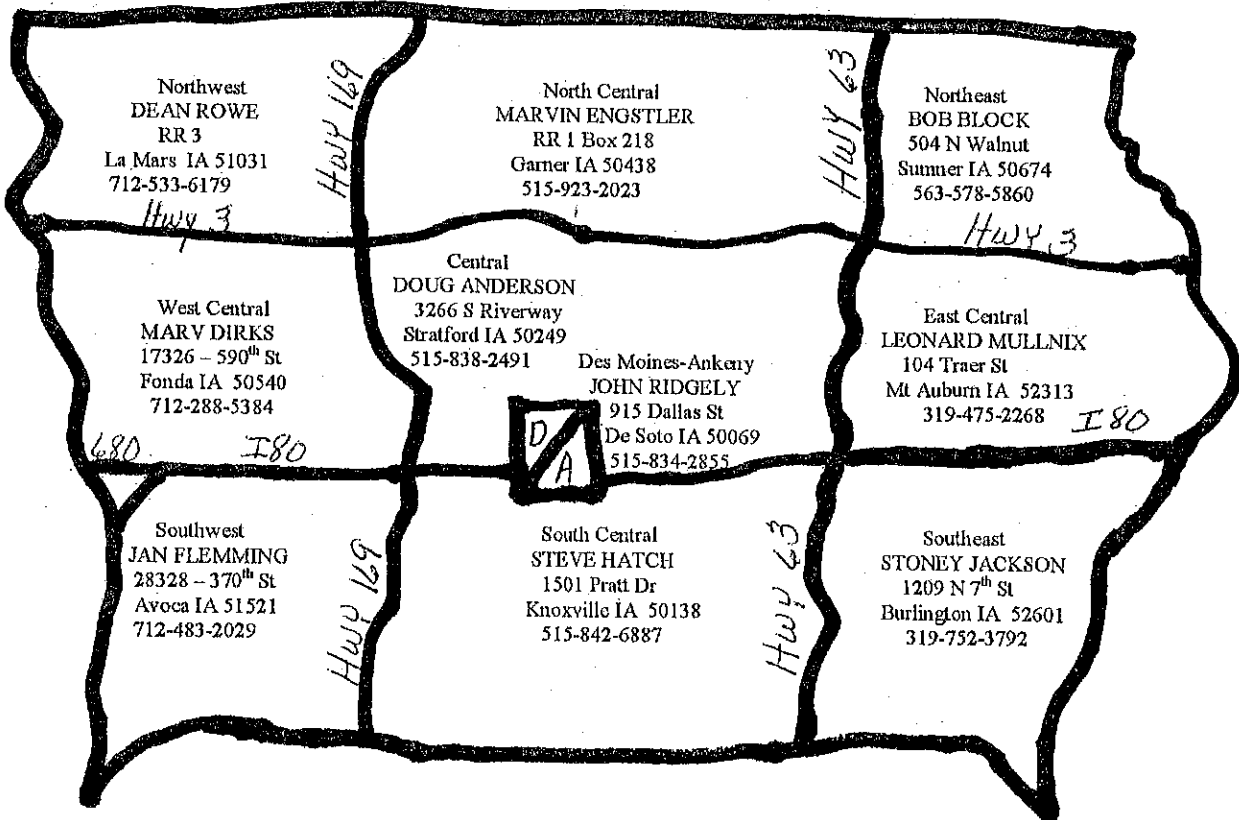

Here at Eldora, we will have over 20 Tournaments scheduled in the Community Building on Hardin County Fairgrounds. The Schedule will be ready for the October issue of this Newsletter.

**I LIKE TO LOOK AND SEE WHAT'S GOING ON!!!!**

Never have we had so many husband and wives pitching the sport of horseshoes. I regret that I did not encourage Faithe to take up the game with me. Maybe this winter!!!

Also at the STATE FAIR \_\_\_\_\_ Never have I seen so many young families attending the State Fair with their children. This means in a few years these kids will need something in their hands. Get them to try and master the greatest sport that's being played today-----THAT'S PITCHING HORSESHOES!!!!!!

**GET WELL SOON!!!!**

A great person, who has spent many hours behind the scenes working for the IHHPA and the game of horseshoes, had a slight mishap the last day of the fair. We all wish him the best and GET WELL SOON!

Hi evreyone,

Well, the State Fair 2003 did not end as I had anticipated. After a trip to the emergency room on Sunday, August 17, 2003, I was told my foot was broken in three places. The good news was that they were clean breaks and I now have a walking cast and crutches. I was sent to a foot and ankle doctor on Tuesday, August 19, 2003, who said everything looked good and to keep everything as is. On September 9<sup>th</sup> I go back to him and if everything is OK, will keep on doing what I am doing now. If the bones have slipped I will have to have surgery with the placement of a pin and be in a hard cast for six more weeks. So keep your fingers crossed.

I have always enjoyed the game of horseshoes, but more important than the game is the friends whom I consider a gift and will always treasure. Thanks to all of you for your calls, emails, cards and kind wishes. Hope to see you soon on the courts.

Ron Utley  
(me to! Margo)
