## Presidents Message

### BYLAWS UPDATE !!

This year's Business Meeting on Saturday, October 21<sup>st</sup> at 10:00 A. M. in Marshalltown will address some important Bylaw amendments. As required, the notice of these amendments is included in this Newsletter. The Ladies of the Moose will again prepare a fine meal this year. The cost of the meal will be \$10.00 and will be paid when you arrive. We are estimating the number who will attend from past years so no pre-notice of attendance will be necessary. This will be the tenth revision of the Bylaws that were adopted in 1972.

We are fortunate to have a good structure governing our organization and these amendments are a means to update/modify present language to keep up with the changes that are representative to our state and national needs. We are not painting the whole house just touching up here and there. So mark your calendar and be involved in the decision-making of not only the Bylaws but other matters as well.

### FAIRGROUND COURTS RELOCATION !!

As of now the Fairgrounds have not contacted Danny Sease revealing just where the new courts will be located. When this is decided it will be announced at tournaments, by e-mail, and at the annual meeting.

### SECRETARY/TREASURER – NEW AND RENEWAL MEMBERSHIP INFO.

During this transitional period each member will need to know that 2007 membership renewals are now to be sent to: **Ron Rowley, 201 36<sup>th</sup> Street, West Des Moines, Iowa 50265, phone 515/222-1209.** **Tournament Directors/Officers: Please write this information on membership forms in place of Dave's information.** New forms with Ron's information will be distributed and are included with this Newsletter. Those attending the Annual Meeting will be able to renew their membership at the close of the meeting if they so choose to do so at that time. In case you did not know, 2007 memberships are available for members and new members on and after the business meeting date and are good for the remainder of the year as well as for the calendar year 2007. I encourage everyone to renew early. This will help our new Secretary/Treasurer.

### THE 2009 IHHPA WORLD TOURNAMENT BID !!!!

On September 11<sup>th</sup> our committee met in Cedar Rapids with representatives from the CVB and the Ice Arena. It is very exciting to see major pieces fall into place. Final details are being worked out and we will announce either we don't believe 2009 is in our best interest or we do believe it is. If the Committee feels it is in our best interest, the IHHPA members present at the business meeting will vote affirmatively or negatively on our involvement and sponsorship to bring a World Tournament to Cedar Rapids in 2009. ( there may be a chance that it may be in 2008 if Alabama decides to withdraw their 2008 bid). Now wouldn't that be a nice way to celebrate 30 years since the last time a World Tournament was held in Iowa !!! ( 1978 )

## NOTICE OF PROPOSED AMENDMENTS TO THE IHHPA CONSTITUTION AND BYLAWS

The IHHPA Annual Business Meeting will be held Sat. October 21<sup>st</sup>. 2006 at the Moose Lodge, 1516 Olive St. Marshalltown, Iowa. Meeting to begin at 10:00 A.M. The following Constitution and Bylaw amendments will be placed before the current members in attendance for their acceptance or rejection:

### Iowa Hawkeye Horseshoe Pitchers Association CONSTITUTION

#### ARTICLE 1 ( NAME )

Present Language: The name of this organization shall be the " Iowa Hawkeye Horseshoe Pitchers Association ".  
Add the following as a second sentence : **Iowa Division of the National Horseshoe Pitchers Association.**  
Reason: NHPA Bylaws state that Charters be known as this.

#### ARTICLE 3 ( PURPOSES AND POWERS )

Insert the word **form** that was missing:  
The purpose of this association shall be to provide an orderly means for its members to participate in and enjoy the game of horseshoe pitching. To encourage interested parties in organizing local clubs, leagues, or to **form** other groups for participation in horseshoe pitching \_\_\_ ( The rest of paragraph is unchanged. )

#### ARTICLE 4 ( AFFILIATION )

Remove existing language and replace with new language:  
Present Language: The association must cooperate with the National Horseshoe Pitchers Association of America. This Organization may accept charters or authorizations for cooperation with any national or area organization and be entitled to conduct sanctioned and non-sanctioned tournaments and championships within the boundaries of its jurisdiction as provided for in the constitution and by-laws of this organization it represents or subscribes to through membership.  
Replace with this language: **The Iowa Hawkeye Horseshoe Pitchers Association ( IHHPA ) shall affiliate with and cooperate with the National Horseshoe Pitchers Association ( NHPA ). All matters not expressed in the IHHPA Constitution and By-Laws will be governed by the NHPA Constitution and By-Laws. The Official Playing Rules of the NHPA shall govern all IHHPA sanctioned events.**  
Reason: Present language contains unnecessary wording.

#### ARTICLE 9 ( VOTING RIGHTS )

Remove this wording that repeats itself in present language. *On each matter submitted to a vote.*

#### ARTICLE 12 ( AMENDMENTS )

Add a second sentence to present language: This Constitution and by – laws may be changed, altered or amended in any lawfully called and properly assembled meeting of the association membership only by the affirmative vote of the members present by a two-thirds ( 2/3 ) majority.  
Insert second sentence: **Notice of proposed amendments shall be printed in the IHHPA Newsletter distributed the month prior to the scheduled Annual Meeting of the membership.**  
Reason: Roberts Rules of Order states that provisions for By-Law amendments should require previous notice to its members.

### Iowa Hawkeye Horseshoe Pitchers Association BY – LAWS

#### ARTICLE 2 ( ANNUAL MEETING )

##### SECTION 4 ( NOTICE OF MEETING )

Add the following sentence to the present language as another means of ( Notice of Meeting ) : **An acceptable notice could also be printed in the IHHPA Newsletter.**  
Reason: All IHHPA members receive the Newsletter.

#### ARTICLE 3 ( EXECUTIVE COUNCIL )

##### SECTION 4 ( NOTICE )

Insert the following in parenthesis following " telephone " ( including E – Mail , )  
Reason: Adds another option for communicating a notice of any special meeting.

#### ARTICLE 4 ( OFFICERS )

##### Section 6 ( VICE PRESIDENTS )

Insert a comma after the word " act " in the first sentence.

#### ARTICLE 7 ( STATE CHAMPIONSHIP REQUIREMENTS )

##### SECTION 1 ( QUALIFICATIONS )

The first sentence now reads: All entrants to the State Championships must be members of both State and National Associations. Delete the remainder of present language and insert the following: **Adult pitchers will be placed into the tournament according to their**

NatStats ringer percent average at the close of a twelve ( 12 ) month entry window. Their NatStats record must show participation in a minimum of three ( 3 ) sanctioned tournaments during this period. A sanctioned league participant pitching a minimum of 400 shoes will be credited as pitching one ( 1 ) tournament. A sanctioned league participant pitching a minimum of 800 shoes will be credited as pitching two ( 2 ) tournaments. A sanctioned league participant pitching 1200 shoes will be credited with three ( 3 ) tournaments meeting the three-tournament requirement. Junior pitchers require one sanctioned average during the same period. Junior pitchers will also be deemed eligible by submitting with their entry form, a score sheet ( scored and signed by a NHPA member) showing one hundred ( 100 ) shoes pitched and number of ringers scored.

Reason: With the introduction of NatStats as a source to track and make statistics available to regular tournament directors, our committee endorses this source as the method determining State tournament averages and number of tournaments played in a 12 month window. Recognizing that sanctioned league members establish their league average pitching a large number of shoes and attend weekly a substantial number of league sessions, it is important that this is taken into consideration giving them this credit. The addition of the junior language will allow juniors who have a vast amount of school activities and entertainment choices, who find it hard to attend sanctioned events, to be able to enter and play in the state tournament.

#### ARTICLE 7 ( STATE CHAMPIONSHIP REQUIREMENTS )

##### SECTION 3 ( DEADLINE )

Delete the present language: Deadline for entries into the men's division of State Championships is ten ( 10 ) days prior to the start of the State Championship dates.

Insert the following new language:

**The deadline for entry into the State Championships will be the date seventeen ( 17 ) days before the state championships are scheduled to be held. From this Deadline date to the previous years Deadline date will be the entry window to establish the contestants ringer percentage and number of tournaments required.**

Reason: This will improve and establish a consistent deadline date that will allow a timely period for the Classes to be formulated and playing schedule, date and time mailed to those entered.

#### ARTICLE 7 ( STATE CHAMPIONSHIP REQUIREMENTS )

##### SECTION 6 ( DATE )

Present wording: State tournament scheduled dates shall not conflict with the World Tournament.

Add to the start of this sentence: **If unavoidable, the**

Reason: World Tournament and the State tournament dates being held at the State Fairgrounds have been in conflict.

#### ARTICLE 7 ( STATE CHAMPIONSHIP REQUIREMENTS )

##### SECTION 8 ( GUIDELINES )

All play during the State Tournament will be under the guidelines of the association.

Replace the word **association**. insert: **IHHPA** in its place.

Reason: Identifies the association.

Insert a second sentence: **All State Tournament Divisions shall use assigned individual scorekeepers and sessions ( all classes ) must have all scorekeeper chairs filled before play can begin on the courts.**

Reason: All championship games need scorekeepers to avoid the distraction that players experience if they have to keep their own score. Filling all chairs before play can begin has been found to be effective in obtaining scorekeepers at the World Tournament and should be effective at the State Tournament level.

#### ARTICLE 8 ( TOURNAMENT RULES )

##### SECTION 1

Remove existing language: Whenever possible ringer percentage shall be kept for all players in a tournament. When scorekeepers are being used, all classes must have scorekeepers. All players are encouraged to keep score when not pitching.

Replace with the following: **All sanctioned tournaments must use a scorekeeping method that will involve determining the number of shoes pitched and the number of ringers pitched. Individual scorekeepers are preferred and all players are encouraged to keep score when not pitching. Tournament Directors must report the tournament results to the State Statistician immediately following the tournament. The State Statistician must then report the statistics to the NHPA NatStat contact person.**

Reason: New language states that determining ringer percentages must be determined in a tournament. By stating " scorekeeping method " it is recognized that some tournaments do not use individual scorekeepers and have other methods to keep track of shoes and ringers. At some tournaments, when all chairs are not filled it is then necessary for those without scorekeepers to keep their own score.

#### ARTICLE 11 ( Frank Jackson Award )

##### SECTION 1

Present language: This award to be given in honor of the first World and Iowa Champion, the legendary Frank Jackson of Kellerton, to that person who has given effort above the call of duty in advancement of horseshoe pitching in Iowa.

Remove the words "to be" and insert: **is**

Insert: **Iowa** after Kellerton.

Insert: a period . After Kellerton

Insert at the beginning and creating a new second sentence: **It is awarded**

Reason: Improvement in reading the Section.

## MEET HAROLD GARNER

*This summer Harold Garner, with the help of Gerald Weeks, became the caretakers of the IHHPA Hall of Fame Trailer. Harold has met many of the Hall of Famers and has also pitched against several of them. The following is a short chronicle of Harold's remarkable pitching career.*

Harold Garner's pitching career began on the farm in the 1940's. There was his Dad, Harold, and Harold's two brothers. They played in the backyard with a light hung in a tree.

In 1954 Harold pitched in his first tournament at the Ringgold County Centennial in Mt. Ayr. In 1978 he played at the World Tournament when it was held in Des Moines. In 1981, he pitched in the World Tournament in Genola, Minnesota, placing 1<sup>st</sup> in Class P3. Harold has played in several other World Tournaments, including 1992, Columbus, Ohio, where he pitched one of his best tournaments, placing, 5<sup>th</sup>; and 1999, Greenville, Ohio, where he placed 1<sup>st</sup> in Class Q2.

Harold has also pitched in eight Team World Tournaments held annually in Beloit, Wisconsin. He played for five years in Las Vegas, where he met lots of people and made a lot of friends.

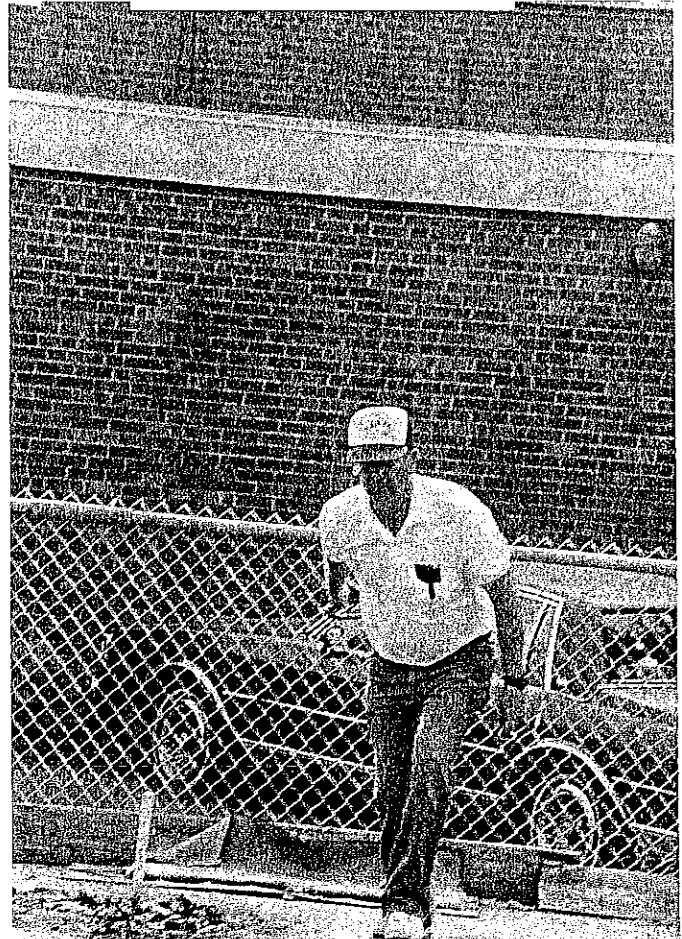

Harold has played at the Iowa State Fair since 1971, missing only one year. He pitched against Red Henton in a regional tournament at the Fair. Although Harold lost by a score of 50 to 21, they had fourteen "four deads." In 1992, the State Tournament was held in Cedar Rapids, where Harold placed 7<sup>th</sup> in the Championship Class. That same year, Harold beat the late Marv Woollums in Winterset in a playoff for first place.

Harold says one of his best tournaments was in Russell when he won over Bill Vandegriff and Byron Hafner, and of course, won the tournament. After Bill got home, he called Harold to ask him, "if he had got out of the clouds yet."

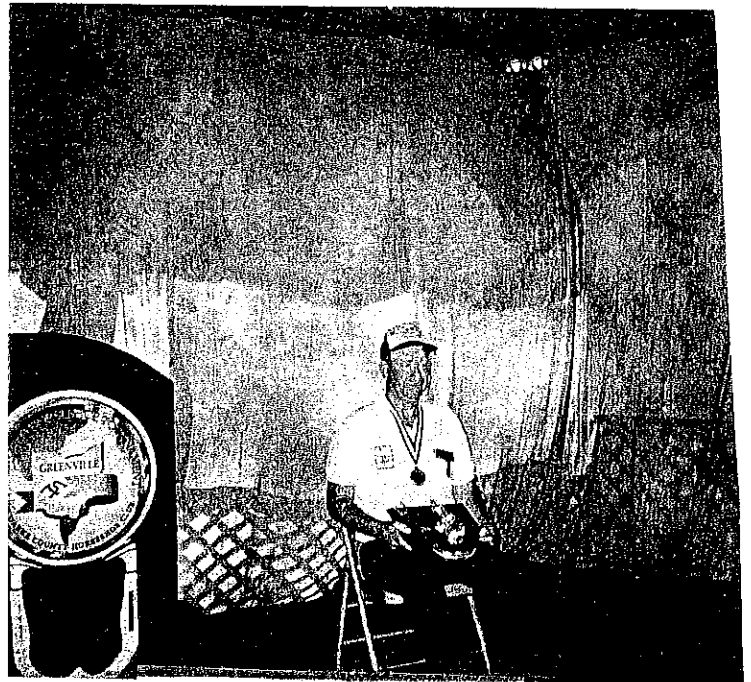

The best game he has ever thrown was 17 ringers out of 20 shoes.

Harold has also pitched in the Valley of the Sun Tournament in Mesa, Arizona and in Yuma, Quartzite, Glendale, and Apache Junction, all in Arizona. In 2000, Harold and Lois made their first motor journey to Arizona. It has since become a yearly event. Harold enjoys league play there during the winter months. They will be leaving for Arizona again this year right after Christmas.

Harold has some advice to all pitchers: *Regardless of your pitching ability, just go out and have fun!!*

Harold Garner . . . Iowa State Fairgrounds

. . . World Tournament, Greenville, Ohio.

## 2006 IOWA SUMMER GAMES

Twelve players assembled on Friday, July 14<sup>th</sup>, for our first doubles tournament. We went to this format from a Seniors tournament because of declining numbers. Even though these were also low numbers, the six teams that gathered in Brookside Park had a real fight to win the gold medal. After five games, four of the six teams ended up with 3-2 win/loss records. Four playoff games ended with Brett Robb and Don Smith as champions.....ask the former secretary/treasurer of our association how a non-pitched ringer won the Gold. It was a real joy to watch all these games. Who said that horseshoes is not a competitive sport? I could tell that the adrenaline juices were running fast. It continued the next day!

On Saturday, July 15<sup>th</sup>, twenty-six individuals were signed up to pitch. Because of the nearly unbearable heat and humidity, two had to drop, but the remaining competitors really had a time of it. I was watching everybody pretty close for signs of heat stress, but no problems developed. Everybody took their time, and drank a lot of water. The winners of gold in classes A, B, C, D, and E were: Joseph Smith (61%), Charly Hughes (32%), Gilbert Nickell (28%), Roger Gaulke (28%), and Angi Amman (3%), respectively. Silver medalists included Jan Warwick, Sonny Arenholz, Jessica Dougherty, Bernard Anderson, and Chuck Vandever. I tallied all the classes during the tournament under the tent in a shaded environment—which was nice for me, but I continue to be amazed by how close some of the games were. It is really true that each point counts!

As you know, Dave Sidles and his wife are moving from Ames to Omaha so this may be Dave's last Iowa Games tournament as a commissioner. We have worked together for nearly 14 years without a single cross word or misunderstanding. I would like to publicly thank Dave for all the things he has done for this tournament, from preparing the courts to assembling the tournament schedule. He spent many hours working very hard to make this an enjoyable sport for many people. I wish him and his family the best in the future.

### BLIND HORSESHOE TOURNAMENT

Every year the Veteran's Administration has an athletic event for the blind veterans. Normally they have blind golf and blind bowling. This year they were introduced to blind horseshoes. The Vets Hospital has been host to this special event for several years. Kirt Sickels is the coordinator for all activities. Kirt informed me that seventy of the 106 blind people that were coming to Iowa City has signed up for the horseshoe event. I did not know how to conduct a horseshoe event with that many people. I contacted Charlie Parcell from Cedar Rapids. Charlie's wife is blind and she also pitches horseshoes. With their help, I found out how it is done, but still did not know what to do with seventy blind pitchers.

The event took place September 12<sup>th</sup> at 5:00 p.m. at Iowa City Park. The weather was rainy and cold. Thirty-eight of the 70

### Blind Horseshoe Tournament (cont'd)

who signed up chose to pitch. We divided them into six classes, each class was given a color. We had them pitch a round robin of 12 shoes per game. There were approximately 18 attendants from our Iowa City League who helped the blind pitchers as to where to stand and what direction to pitch. Also, the attendants tapped on the stake to help the pitchers' orientation. After a rough start and the pitchers and attendants figured out what to do, things went fairly well.

The winners were:

Red class: 1<sup>st</sup> place - Paul Kaminsky, Florida  
2<sup>nd</sup> place - Tom Beal, Ohio

Blue Class: 1<sup>st</sup> place - Michael White, Virginia  
2<sup>nd</sup> place - Bob Thompson, Nebraska

Green Class: 1<sup>st</sup> place - Bob Foster, Tennessee  
2<sup>nd</sup> place - Robert Hanson, Kansas

Yellow Class: 1<sup>st</sup> place - Cathy Kula, Iowa  
2<sup>nd</sup> place - Robert Hall, Iowa

Purple Class: 1<sup>st</sup> place - Fred Cole, Virginia  
2<sup>nd</sup> place - Bill Lyons

Gold Class: 1<sup>st</sup> place - Ray Baker, Iowa  
2<sup>nd</sup> place Bob Thomas

All first place winners received a trophy at the awards dinner on Thursday evening.

I want to thank all our attendants who helped out so graciously that cold Tuesday night. They were: Ron Swartzendruber, Vern Kollasch, Bruce G., John Peterson, Ron McBride, Betty McGregor, Kenny H., Dave Hahn, Adam H., Bob H., Lee M. and others. Pitchers and attendants both had fun and are willing to go for it next year.

**The Iowa City Tournament** (September 9<sup>th</sup>) went off without a hitch. The weather was cool in the morning but the afternoon was great. Even had a little sunshine. Thanks to Leslie who lent me her jacket, I was nice and warm all morning. We were honored by the presence of two people from Auburn, Pennsylvania: Mr. Walter Burtner who finished 4<sup>th</sup> in Class C, and Ms. Joan Douglas who finished 2<sup>nd</sup> in Class A. These two have a goal to pitch a sanction tournament in all 52 states. By the end of this year, they will have pitched in 44. Alaska and Hawaii are on their list for next year.

We had 29 entries including Scott Leedom who became our newest member. We would also like to welcome new members Poncho Blackhawk, Brandon Blackhawk, and Trent Leedom. The class that Poncho played in included his son and grandson!

LeRoy Law took all honors with a high of 57.27 percent. Yours truly, Leo Buell, was second highest with 53.81 percent, and Joan Douglas, our guest from Pennsylvania was third with 49.54 percent. Everybody enjoyed themselves and we welcome them back next year.

**DON WILSON**  
  
Greenfield, Iowa

**DON WILSON**  
**GREENFIELD, IOWA**  
**1934 - 2006**

Don Wilson, age 71, passed away July 28, 2006 at Iowa Methodist hospital. He was born on October 2, 1934 in Warren County, Iowa. He served in the United States Army from January, 1955 to January, 1958. Don worked as a diesel mechanic for Schwerman Trucking for 23 years, a small engine repair man for several years, retiring in 1997 from Sears.

Don is survived by his wife, Marcella ("Mic"), seven children, 19 grandchildren, four great grandchildren and two sisters.

Since, 1989, Don was a very active member of the IHHPA. He devoted many hours to the publicity of the game of horseshoes and the IHHPA. He served the IHHPA as President and Publicity Director. He was one of the leaders in getting the courts built in Pickard Park in Indianola, Iowa. He spent many hours, physical labor and money in getting those courts built. In 1990, Don started a sanctioned league in Indianola that is still strong today. He held Junior tournaments there at his own expense for several years. For four years, Don was putting on demonstrations and helping kids pitch at the Living History Farms on the 4<sup>th</sup> of July and other dates during this period.

Don was instrumental in obtaining and maintaining the Iowa Hall of Fame trailer. He has been the keeper and maintainer of the Iowa Hall of Fame for many years. Don also spent many years working at the National Hall of Fame exhibit that was located in Pioneer Hall at the Iowa State Fair. Don would talk horseshoes and the IHHPA to anyone that would listen and a few that didn't want to. Don helped Chet Foster with several promotional events for the IHHPA, including one for the Boy Scouts. Don helped and attended most of the tournaments held at the winter indoor facility in Eldora, Iowa, until his health kept him from doing so.

These are but a few of the many things Don has done for the game and for the IHHPA. There are a large number of current and former players that Don has instructed and recruited into the IHHPA. Don would help out in any capacity at tournaments that he attended.

Everyone will miss Don, he was a fine gentleman and asset to the IHHPA and the NHPA. As Don was going into surgery, he was trying to talk the nurses and doctor into playing horseshoes.

Don would be the first to say that he wasn't a poet but this was a short horseshoe pitcher's prayer that he wrote:

*May the days be sunny, and the wind be light.  
Please Lord, let there be no rain in sight.*

*If I live to be a ripe old age,  
100 would be just fine,*

*Let the last shoe I throw in life,  
Be a ringer, if that's all right.*

## **PRESIDENTS MESSAGE :**

**Our former President, Don Wilson passed away July 28<sup>th</sup>. All of us will miss Don . He devoted so much to our sport of horseshoe pitching, not because he had to, because he loved to. Always there to encourage, advise and promote the sport all of us love.**

### **STATE FAIR 2006**

**Congratulations to Danny Sease and his crew for another job well done !! Especially to Danny and his wife Bobbi who had to deal with extra ordinary problems that seemed to surface each day.**

**Special congratulations go out to Joseph Smith and Cathy Carter !! Joe won the 40 ft. Men's Championship, his first, and Cathy won the Women's Championship for the 21<sup>st</sup> time. Joe is a former Junior World Champion and Cathy a former Women's World Champion.**

**Despite having to deal with rain five times, there were 577 event entries. One would have to go back to the 70's to find more entries. This and the 681 participants in The " Pitch and Win " promotion means a total of 1,258 visited the courts this year.**

**We have learned that the Fair Board is considering placing a building on the site of the Horseshoe Courts. We have not been notified as to where on the Fairgrounds the new court location will be. Final decisions have not been made and we expect details in the near future.**

**The new Director of the Iowa Hall of Fame trailer is Harold Garner. I am sure everyone will agree that Harold will be competent in this position. Handling the towing and storage of the trailer, and assisting Harold, is Gerald Weeks. On behalf of the Executive Board and membership I thank you for accepting this responsibility.**

### **World Tournament 2009**

**You are probably wondering why the decision to try to obtain the Bid for 2009 is taking so long. Before going forward there are concerns that have to be dealt with. A bid and possible WT in Cedar Rapids will mean a commitment from those in Cedar Rapids and all of us in the IHHPA, to put on a first class WT. Once the financial hurdles have been cleared a decision will be made.**

### **ELDORA INDOOR 06/07**

**The outdoor season is winding down and it wont be long before our sights will turn to indoors in Eldora. For those of you who have not pitched indoors in Eldora the Eldora Horseshoe Club invites you to make plans to come and experience playing in a fine facility. As Yogi Berra might say " They feed you fine food there and its good to eat to ".**

**THANK YOU**

*I would like to thank all our wonderful horseshoe friends for all the kind thoughts, words and prayers that were sent our way. It has really meant a lot to us. At this time, we plan to put a Memorial bench at the courts in Pickard Park, Indianola, Iowa. Our children have also purchased a tree to be planted there. I know when you rest on the bench, you will have kind thoughts of Don. Thanks again.*

Mic Wilson

**WORLD TOURNAMENT**

The World Tournament Committee has met once again. There are about 5 or 6 major questions that have to be answered before we are saying that Cedar Rapids is going for the World Tournament. We have set a goal of September 30, 2006, to have our answers. Depending on the results of these answers we will then decide. The October Newsletter will have our final decision. We, the committee, and the CR Convention Bureau will meet again September 11th.

**Tournament notes/ changes:**

Gerald Weeks will be hosting *The Don Wilson Memorial Tournament* in Indianola, Iowa, on Saturday, September 23 at Pickard Park.

Harold and Lois Garner would like to remind everyone there will be a pancake and sausage breakfast at the Russell Open on Saturday, September 30<sup>th</sup>. Free will donation.

**IOWA CITY COURTS**

Horseshoe pitchers in Iowa City have the privilege of pitching on new courts. The Parks Department built six new courts in line with the six that were already there. There are now twelve courts at one location, complete with concrete walkways, new fencing and lights. The pitchers that participated in the Iowa City tournament on June 24<sup>th</sup> appreciated having all the courts in one place. Pitchers no longer have to go across the tracks to our second set of courts. The courts on the "wrong side of the tracks" have been removed and the area reseeded. The next sanction tournament will be on September 9, 2006.

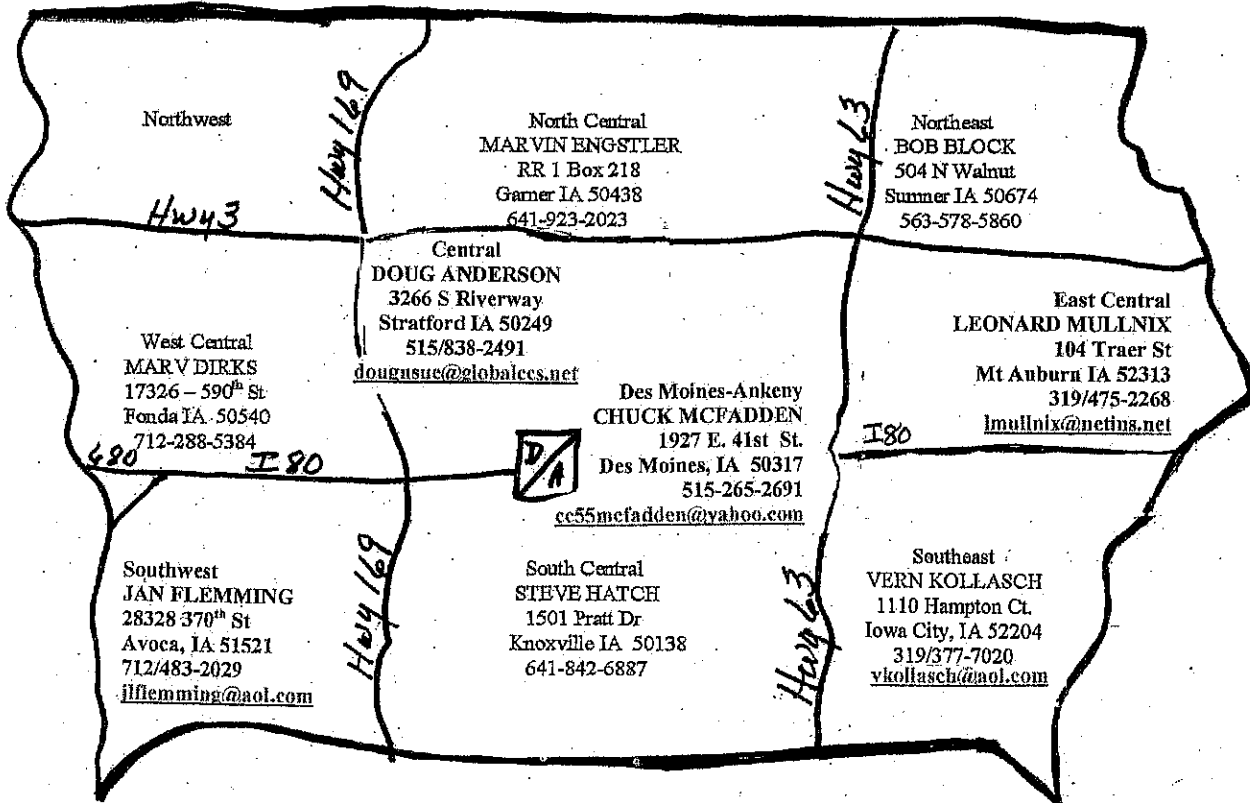

**Moonlightingers:** On September 11, 2006, there will be a horseshoe tournament for the blind. The Veteran's Administration has blind people from all over the United States converge on Iowa City to participate in golf, bowling and this year, horseshoes. This will be their first attempt to present blind horseshoes. Seventy blind individuals have signed up to play in Iowa City. If anyone would like to volunteer to help us put this on, please give us a call. It starts at 4:30 p.m. at City Park in Iowa City.
