PRESIDENT'S MESSAGE

2009 Springfield World Tournament

What an experience! I was able to be there for the setup of the courts, etc. Many of us were there promoting Cedar Rapids next year. Ron Stanerson and his wife, Mary Jane, were there for the entire WT including helping with the setup and the take-down. A special thanks to Ron and Mary Jane for obtaining valuable information for next year. Also assisting in the booth were Ralph Palmer, Mary Lee Malmberg from the Cedar Rapids CVB, Leo Buell, Bob Hardy, Mike & Betty Fishnick and other Iowa players attending who were spreading the good news about Cedar Rapids. We sold tee-shirts with the 2010, and we still have a supply left to sell to our members. They will be available at most tournaments and at the Annual Meeting. The NHPA trailer with all the courts and equipment was loaded up on the Sunday following the tournament and was picked up and moved to a secure location in Cedar Rapids for 2010.

The NHPA Business Meeting was held Sunday August, 2nd. Monroe, Louisiana won the bid to host the 2011 World Tournament that will be held July 18th – 30th. Mary Lee Malmberg and Ralph Palmer headed up the Progress Report for the WT next year. It was a lively report, entertaining and informative. The Delegates approved the NHPA Executive Board's earlier action to grant a Court Sanction Waiver for portable courts that measure less than 31" inside width, but not less than 29" and were built prior to 2007. This will be a change to the RGS Book. Good news for many court locations, including Eldora's Putt Mossman Arena

State Fair---State Championships

Congratulations to all the various 2009 Division Champions!!!! The weather co-operated (most of the time) and another successful eleven days of pitching are in the books. Thanks to Danny Sease and to everyone involved for another great State Fair at the courts. The

President's Message continued

Pitch & Win was another win-win event this year. There were many happy winners of prizes that ranged from \$125 in cash to smaller prizes for the adults, and two bicycles to smaller prizes for the juniors. Everyone received a Participation Ribbon from the State Fair. Many were introduced to horseshoe pitching for the first time.

PROPOSED IHHPA BY-LAW (Pursuant to Article 12 (AMENDMENTS))

The following By-Law Amendment will be acted upon at the Annual Business Meeting:

Add the following language to Article Five (DUES):

Pro-rated dues will be allowed for an Adult or Junior for a specified period of July 1st through December 31st. The IHHPA dues for this period would be waived and the individual would pay only the current annual NHPA dues amount (Currently \$17 for an adult and \$5 for a junior). Only new members who have never been a member of the NHPA would be eligible for this Pro-rated dues period.

Reason: Currently and in the past we have experienced individuals who want to become a member during the second half of the season. When they are told that the membership is not for a twelve month period, that they would have to pay the full annual membership amount or wait for the new membership cards that are available October 1st, they most always wait. Often they never become a member. Only a first time member would receive the opportunity to attend half of the scheduled tournaments for approximately half the annual membership cost.

RIBBON CUTTING CEREMONY AT MARENGO COURTS

Ron Stanerson

On July 3rd through the 5th, 2009, Marengo celebrated it's Sesquicentennial (150 years) with many interesting happenings taking place. One of importance to all of us horseshoe pitchers was the ribbon cutting of the six new city courts.

How did this come about, you ask? Well, the Sesquicentennial Committee approached me in 2007 and asked if I would have a horseshoe tournament for the 150th. I agreed, visualizing portable courts in the town square. Somehow it came out the next year that I was having it on July 3rd, 2008. Bob Curry and I scrambled around and made three portable courts and held an evening tournament in the middle of the City Park. The interest was more then we expected, so I had plans made for six sanctioned courts, got cost estimates and went to a City Council meeting. I told the Council if they would provide City land for the project, I would generate the money needed. They gave the "OK."

Fast forward to July 3rd, 2009, at 10:00 a.m. I was standing before a crowd of 150 people with a microphone in hand. I welcomed the Mayor, the Council members, the Administrator, and the special guests. I then had all the Veterans in the crowd step forward and asked them to lead us in the Pledge of Allegiance. Our 1st VP Glenn Warden then led us in prayer. You could have heard a pin drop when he finished. Next, the Mayor cut the ribbon, and then our President, Leroy Law, spoke about the Iowa Horseshoe Club and the World Tournament coming to Cedar Rapids.

At 10:30 a.m. I introduced Joe Smith, Vern Kollasch, Leo Buell, Bob Hardy, and Ron Rowley. They, along with Leroy, took to the courts and began pitching. With microphone still in hand, I had them talk to the crowd on

how they held the shoe and what they were throwing (flip, 1 1/4, 1 3/4, etc.) People in the crowd then went to the courts to get tips from our pitchers.

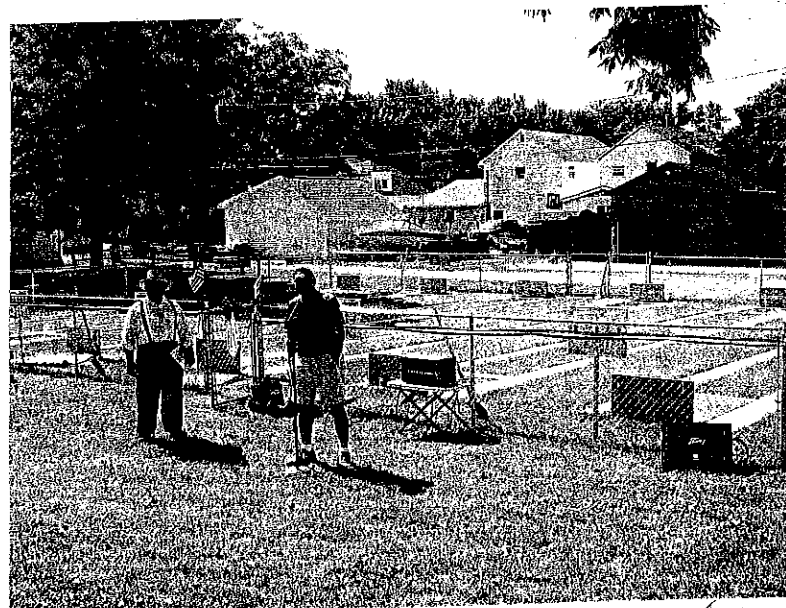

From 11:00 a.m. to 1:00 p.m. we had open pitching. From 1:00 to 3:00 we held Pitch & Win.

I wish I could have had all of you in Marengo that day. Like many of us, you would have come away with a great feeling that the sport of Horseshoe Pitching is alive and well. You might ask any of the officers that were attending that day what they thought and what they felt.

IOWA STATE FAIR
AUGUST 13 - 23, 2009

This was one of our best tournaments. We had very good weather for the most part. There was only one time when we stopped play for the day because of weather.

Also, *The Des Moines Register* printed everything we sent them except the first day. This gave our tournament a boost in attendance. People looked for us in the newspaper.

Three years ago we moved to this location. Attendance was down the first year, then came back a little the second year. This year the players came back. They found us.

Our staff worked very hard this year on keeping the courts ready so players could enjoy this great spot. The maintenance people responded to all our calls.

Before moving here two years ago, the number of horseshoe pitchers playing was 555. This year we came in with 533. This is remarkable. Twice we had to turn people away.

We had one day where the wind was very cold. This almost never happens at the Fair. In the future, we might be able to get the tent folks to leave us the sides of our tent to avoid the cold. Our computer made it through despite the rain and the wind.

We will review the Fair schedule to see if we can't devote more time to the Pitch & Win event. It needs more time but I'm not sure where we can fit it in on the current schedule. Everyday more people wanted to participate.

Thanks for your help - - Danny Sease, ISF Horseshoe Supt.
