PRESIDENT'S MESSAGE

Am I old or what? I overheard a couple of gents talking of past memories of old radio shows they listened to. They mentioned a few that I wasn't familiar with. Now I'm in my early 70s and not a spring chicken, for I remember Sky King, Buster Brown Shoes, Hop-a-Long Cassidy and The Lone Ranger, just to name a few. Remember how at the end of the show the Lone Ranger would say "Hi HO Silver Away," and someone always would ask "Who was that masked man, anyway?" It always had a good meaning in asking that, because he just saved the day from being a total loss.

For all you pitchers and especially those attending the World Tournament in Topeka, leave a good impression; make them wonder "who was that anyway?" Compete hard, but be compassionate, fair, honest, respect your opponent, and always be kind and considerate. Handle everything in a professional manner. We want to hear things like "That gal from Iowa was great and fun to pitch against", or "You can tell a pitcher from Iowa every time, they are hard to beat, but fun to be with". So....listen and hear....HI HO IOWA AWAY- - Ron Stanerson IHHPA President

CALL FOR NOMINATIONS

It is time to solicit nominations for our Association's Hall of Fame and Frank Jackson Awards. Deadline for nominations is July 15, 2014.

Hall of Fame Award: The purpose of the Hall of Fame Award is to honor and perpetuate the names of those members who have displayed outstanding ability in the game of horseshoes and/or who have contributed through meritorious service to the general welfare and progress of the game and/or who have pitched horseshoes for a great number of years. The successful candidate must receive 75% of the vote cast with a minimum of seven members voting. There can be multiple successful candidates, and there may be no nominee if the 75% vote is not met. Members inducted into this select group consider this to be a great honor, and many continue to promote the sport of horseshoes.

Frank Jackson Award: This award is given to that person who has given effort above the call of duty in advancement of horseshoe pitching in Iowa. Only one successful candidate by majority vote.

Hall of Fame and Frank Jackson Awards are elected by the Hall of Fame Board which consists of the Executive Board of IHHPA, Regional Chairpersons, and a Nomination Committee appointed by the IHHPA President. The nominations for the Awards are from you, the Membership, by submitting a brief description of accomplishments and reasons you feel your candidate deserves the recognition. If you know individuals that fit the criteria for either of the above awards, please send information to me. Include in your nomination their name, how long they have been actively involved with horseshoes, their specific accomplishments and things you feel that make these horseshoe pitchers special. These nominations do not need to be lengthy. In fact, we appreciate nominations that are concise and to the point. The committee needs your help identifying these individuals so their efforts may be properly recognized.

Ray Daugherty of Council Bluffs was the 2014 Hall of Fame Inductee. Other IHHPA Hall of Famers are Ralph Palmer and Larry Purcell (2013); Joe Smith and Owen Simmons (2012); Keith Baker (2011); LeRoy Law (2008); Harold Garner (2007); Leo Buell (2005) and Marv Engstler (2004).

O-DONOR DAY DRAWS BLOOD DONORS

IHPHA Member LeRoy Law (center) donates blood

Dozens of blood donors came out on March 16th to give O-negative blood. LifeServe of Iowa sponsored the drive along with WHO Radio's Van and Bonnie. O-negative blood is sought after as it is a universal type and can be used in trauma situations and for newborns. Medical helicopters carry O-negative as it can be used on any patient. Only 6 per cent of the population has O-negative, so getting donations of this type can be difficult.

IHPHA LeRoy Law of West Des Moines came in to donate. "Knowing that not only type O negative is needed, a lot of blood is needed for cancer patients, they have a lot of infusions of blood, they need that," said Law.

Nationally only 38% of people are medically eligible to donate blood and only 10% of the population actually donate. About 1 in 7 people who enter the hospital are in need of blood.
