**PRESIDENT'S MESSAGE**

Would it not be nice to have an indoor court for pitching on a cold Winter day? Some have that luxury, most do not. Fortunately for all of us a trip to Eldora to pitch is a means to make this possible for everyone. By the time you read this there will be eleven regular tournaments remaining along with the Eldora Indoor Championship Tournament to close out the indoor schedule. There may be time to enter the Winter Iowa Games tournament that will be held on February 5th. Please consider supporting this fine indoor facility.

At the 2010 Annual Meeting I was instructed to put in place a seven member committee to explore our usage of the proceeds that we derived from hosting the World Tournament in Cedar Rapids. The Committee's recommendations were forwarded to the Executive Board for their consideration. Their report is enclosed in this Newsletter along with forms regarding the Grant Program and the Junior Scholarship Program that have been established.

The NHPA periodically requires Charters to re-sanction courts where sanctioned tournaments will be conducted. 2011 will be one of those years. The responsibility of seeing that this is done is with our Regional Director, Bert Logsdon, with help from the statewide Assistant Regional Directors. Those of us that direct tournaments or are in charge of court locations can apply for funds from the Grant Program to purchase items that are necessary to make improvements to meet the court-sanctioning requirements. Please read over the attached Program Information and Form and if you have questions, contact me or an Executive Board member. I certainly hope that the funds we now have available will provide a means for court improvements, help present locations, and reestablish court locations throughout the state that have discontinued hosting tournaments and league play. The opportunity is there. What is needed are individuals to make it happen. *Continued next page*

At this time I want to announce that this year will be my last year as your President. This will give all of you the time and opportunity to consider this position before the next Annual Meeting in October. I thank all of you for giving me the honor of serving as President during these four years.

- LeRoy Law

**WORLD TOURNAMENT EXECUTIVE BOARD  
ANNOUNCES GRANT AND SCHOLARSHIP  
PROGRAMS**

Attached you will find a report detailing actions taken by the IHHPA Executive Board concerning the income that was derived from hosting the 2010 World Tournament in Cedar Rapids.

The Board has approved the establishment of a Grant Program that will give partial financial assistance for refurbishment of present courts or construction of new courts. A proposed application form is attached.

In addition, the Board has approved the establishment of a Junior Scholarship program. Additional information and an application form for the scholarship are attached.

Also, for the Year 2011 only, the \$15.00 entry fee for members entering the 2011 Men's Women's and Elders State Championship tournaments will be paid by the Board. And for Year 2011 only, the Board will pay for the cost of the noon meal for those members attending the 2011 Annual Meeting.

Dear IHHPA Members:

Over the last few weeks I have been wrapping up the final details for the 2010 NHPA World Tournament. With collecting the last of the advertising and hotel commission dollars, being part of the committee to give suggestions to the Executive Committee on how the \$33,000<sup>00</sup> (Yes, you read correctly Thirty-three thousand dollars) will be invested for the future success and long term economic stability to our IHHPA, writing the final check from the WT2010 checkbook to our IHHPA taking the balance to zero, I then officially closed the account and the official responsibilities as chair

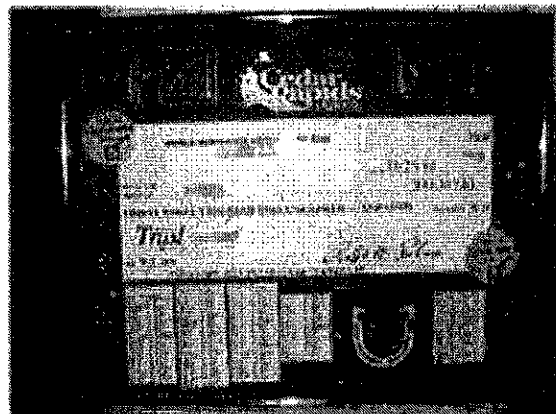

for the 2010 NHPA World Tournament has come to an end.

With the "official responsibilities" completed there is something more that I need to share with every IHHPA member. That something would be a big **THANK YOU**. Thank you for helping complete a dream. Thank you for allowing me the privilege of being the Tournament Chair. Thank you to a very special committee of dedicated members who were willing to invest their time, talent and money making the WT2010 one of the best ever (according to veteran WT players.) Thank you to all the volunteers that helped complete all the tasks to make sure everything ran as smoothly as possible. Thank you to every pitcher who attended. You can each be proud of yourself and your fellow IHHPA members for the WT2010 was a success because of you. Finally, **THANKS FOR THE MEMORIES.**

Sincerely,  
Ralph H. Palmer

NHPA NEWS

FROM JERRY LABROSSE, 4TH VP, NHPA

This past weekend the NHPA Executive Council traveled to Monroe-West Monroe for its annual winter board meeting. I am very excited to share one of the board's decisions with all of you! As you know, electronic scoring using HS Scorekeeper and HS Master was introduced on a full bank of eight courts at the 2010 World Tournament in Cedar Rapids, Iowa. After a few initial challenges, the system worked perfectly and we gained a ton of knowledge for improving and growing the system. The Executive Council feels that our sport should advance with the times to attract and retain the younger generations and that electronic scorekeeping would be a major step in the right direction. A decision was made to move forward with this project and expand the system to 24 courts for the 2011 World Tournament in Monroe. A total of 12 scoring stations will be required to operate 24 courts. Each scoring station will include a laptop, two monitors, a VGA splitter, monitor stand, laptop table stand, a mouse and a few incidental items such as extension cords, adapter cords, etc... A few months ago, an appeal was made for donations of used, unwanted laptop computers to help defray the expense. I am pleased to report we have already acquired 12 matching laptops, thanks to a donation from the employer of a Minnesota member who graciously donated laptops being replaced during routine equipment updates. This was a great benefit, as having identical laptops is very advantageous in a technical respect. We would like to acquire sponsors to help fund this project and take the World Tournament to the "next level" in the sports world. You or your charter can be the proud

sponsor of a complete scoring station with a donation of \$500 or more, however any amount you are willing to contribute will be gratefully accepted. All electronic score station sponsors will be recognized at the Hall of Fame and Awards Banquet, will be listed in *Newsline Magazine* and posted on the NHPA website. Sponsors of \$250 or more will have their names displayed on a large banner to be displayed at the World Tournament. Donations of \$500 or more will also be recognized with a commemorative appreciation plaque from the NHPA. Approximately \$1500 in sponsorship money has already been received – including a very generous donation of \$1000 from the Iowa Hawkeye Horseshoe Association. Thank you Iowa! I hope that you will consider asking your charters and members to support this project by sponsoring a scoring station and helping to bring our sport into the modern age. All donations should be sent to NHPA Secretary/Treasurer, Dick Hansen at 3085 76th St. Franksville, WI 53126. With the expansion of HSS will come the need for computer trained score keepers. Ann Hagman will be offering training in HSS at the world tournament. The first "class" will be held during the registration period of the "World Warm Up" tournament that is being held the Saturday prior to the World Tournament. (Details on entering the Warm Up follow) This tournament will be a great opportunity to give all of our courts and electronic scoring equipment a "test run" before the big event begins. We need 12 scorekeepers for this tournament, as well as for each shift during the world tournament. Ann plans to hold scoring classes throughout the World Tournament, but we want to encourage all who are interested in electronic score keeping to learn the method BEFORE coming to Monroe/West Monroe. To help with this, we're planning to create some instructional videos for both HSM and HSS. Watch for announcements about this video series coming soon. They will be posted on YouTube and elsewhere. To download a copy of HSM and HSS, visit the NHPA website, <http://www.horseshoepitching.com>, click *resources software*, and follow the instructions. If you need help learning this, explore the HS Master Help Desk on the website, or contact me for further assistance.

Leo showed the pitchers the Hall of Fame Gallery and Facility. This is a indoor climate-controlled setting. It was a first time visit for Larry, Bob and Vern. Six 8-person mixed classes pitched 40 shoe games. The championship was a 40 point game. Larry placed 4th in the championship class with a 64% average at 4 wins, 3 losses. Vern placed 3rd in Class A with a 51% average, at 5-2. Leo won Class C with a 49% average, at 6-1 and winning a playoff. Bob placed 8th in Class C with a 33% average at 2-5. The twins, Maxine and Marlene, tied with 1 loss in the championship. Maxine defeated Marlene to win. Rose Diekamp placed 3rd. The payout was \$100, \$60 and \$40. The pitchers learned about round-a-bouts getting from the Motel to Quail Ridge Park. All agreed this is a Great Facility for the NHPA.

**NEW COURTS IN OSCEOLA**

The twelve courts located in Osceola will be ready for tournament play this year, thanks to Bert Logsdon, his brother, Roger Logsdon, and IHHPA President, LeRoy Law. Bert is the newly elected NHPA Regional Director and Chair for the Iowa Region. The courts in Osceola had not been used for competition for many years. Old clay has been removed and nine inches of World Tournament clay has been installed along with other improvements. Above: Bert encounters a rather large tree root under one of the courts.
