### CONDOLENCES

ROBERT ("Bob") ELDON HARDY, 74, of North Liberty, formerly of New London, died Friday, June 3, in Iowa City. Born February 24, 1937 in Worthington, Indiana, he was the son of Eldon and Annabelle Hardy. In 1957 he married Beverly Strack in Burlington, and she died in 1982. On July 17, 1994, he married Diana Wick in New London.

Bob was a 1955 graduate of Burlington High School and graduated from Pasadena City College and California State University in Los Angeles. He was founder and owner of Lightway Industries in New London and California for 22 years, retiring in 2002. Bob was in the National Guard.

When living in New London, he was a member of the New London City Council, New London Christian Church and the Genesis Church in North Liberty. He loved to fish and pitch horseshoes and was an "Iowa Elder State Horseshoe Pitching Champion." He also enjoyed kayaking, camping, RV'ing, and wintering in Florida.

Survivors include his wife, one daughter, Cynthia Rene Dewey, one son, David Michael Hardy of Burlington, two stepdaughters, Janet Stauffer of Washington, Iowa and Sara Wick of Alexandria, VA; three stepsons, Steve Wick of Fort Madison, Jeff Wick of Fairfield and Rob Wick of Iowa City; 12 grandchildren, two great-grandchildren, one sister, Judith Ann Snelson of Kensett, Arkansas and one brother, Richard Hardy of Macomb, Illinois and one brother.

Memorials have been established for New London Christian Church and Genesis Church in North Liberty.

*We toured to New London to attend Bob's funeral at the New London Christian Church. The church had been designed by Bob Hardy. Not only did he design the church but he did a lot of the work, one thing he did was haul and place all the rock that surrounded the church by himself. The Minister from the Christian Church said Bob did many things to help build the church. The Minister from Genesis of North Liberty couldn't say enough about Bob on how he worked to make the North Liberty church what it is today. Bob was a very religious man and he lived his religion.*

*Bob's favorite things to do were fish, paddle his kayak, pitch Horseshoes, and be of service to help others. Bob said, "Service is much better when you have someone to share it with." Bob volunteered and offered his services to everyone he knew. He was the statistician for our Horseshoe League for the last two years.*

*Bob will be greatly missed by his family and everyone that knew him. May God rest his soul. - - C. Leo Buell, Vern Kollasch, Dick Shepardson, Dave Hahn and Larry Purcell*

WORLD TOURNAMENT INFORMATION  
'CALLING THE SCORE'

*A member suggested that I share a few tips about calling the score at the World Tournament. As you know, electronic scoring will be used on all courts, except the playoff courts. As you also know, horseshoe pitchers call the score differently in different parts of the country. HSScorekeeper, the software developed by Kurt Whaley, has the NHPA-number one recommended scoring calls on the operator buttons. Here is the list of calls as they appear on the scorekeeper's screen:*

No Score	1 ringer 3	2 dead	4 dead
1 point	1 ringer 4	2 dead 1	
2 points	2 ringers 6	2 dead 3	

*Try to use these score calls at the World Tournament. If you call "3 on 3" you may get a deer-in-the-headlight stare from the scorekeeper. Try to get into the habit of calling these scores and you will have a much better World Tournament experience. Good luck!*

*-- Jerry LaBrosse, 4<sup>th</sup> VP, NHPA*

## IHHPA AWARDED DUANE KRAMER SPORTS TOURISM AWARD

The IHHPA received from the Cedar Rapids Convention and Visitors Bureau the "Duane Kramer Sports Tourism Award." This award was for the best sports event in Cedar Rapids that added value to the community in 2010. Duane Kramer died two years ago but was a sports leader and an Athletic Director in the Cedar Rapids school system.

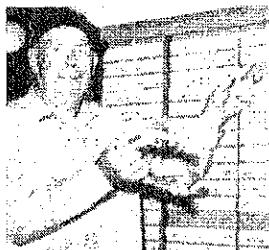

This award was earned by all IHHPA members who helped make the World Tournament a great success. Ralph Palmer, chair of the 2010 World Tournament Committee, accepted the award for the IHHPA. Also in attendance were Ralph's wife, Linda, Ron & Mary Jane Stanerson, and Larry & Phyllis Purcell. The plaque for this award will be displayed and kept in the IHHPA Hall of Fame trailer.

*IHHPA Members Ron Stanerson, Larry Purcell, and Ralph Palmer, and Mary Lee Malmberg of the Cedar Rapids Convention and Visitors Bureau with the Duane Kramer Sports Tourism Award.*

**IHHPA HALL OF FAME  
JOHN PAXTON**

John Paxton of Ottumwa, Iowa, began his horseshoe career in the 1920's. He was a farmer pitching in the What Cheer area. Later he began competing in tournaments with two all-time greats, Frank Lundin and Frank Jackson, both former World champions.

In 1939 after some controversy with the Iowa State Fair, The State championship, also known at that time as the Midwest National, was held at Ellis Park in Cedar Rapids. John won that championship.

John qualified for Men's Championship Class in nine World Tournaments from 1940 through 1959, winning 111 games averaging 66.6% ringers. His best finish was in 1941 when he placed 12th and pitched 68.3%. He accomplished that same average in 1953 but placed 20th with a 17-18 record. John won five consecutive Senior Men's World Championships, beginning in 1966 through 1970 which remains a record. His 10-year record was 62-15, averaging 69.4%.

John was elected as a Charter Member of the IHHPA in 1977. He was inducted into the NHPA in 1982. John Paxton passed away August 5, 1983.

*John was, in my opinion, one of the truly great horseshoe players that I have known. John's record in our great sport certainly speaks for itself. John participated in and placed high in practically all the State Champions where I played. I knew that I was in for a 'barn burner' when it was my turn to play John!*

*John threw a very high shoe, one and a quarter. I did not dare to watch John's shoe. I would see airplanes, dark clouds, high soaring birds, you name it! I believe that anyone interested in horseshoe playing, particularly in the State of Iowa, should do a little research and observe the record of Mr. Paxton - - it is incredible! In closing I will say that John Paxton was a fine player, a credit to the sport and truly, a good friend.*
