## PRESIDENT'S MESSAGE

*How many of you rely on a computer and at the busiest time it shuts down? Well it just happened to me this week. My prepared message was gone. I had been getting ready for my July 3rd tournament and I began to reminisce about the ribbon cutting ceremony held at the Marengo courts on July 3rd, 2009. After looking through an old file I found this letter I had written after the Ceremony.*

On July 2 - 5, 2009, the City of Marengo celebrated their Sesquicentennial (150 years) and there were many events of interest. Antique tractors, pie eating, husband calling, car show and fireworks were a few of the goings on. The thing I enjoyed the most was the ribbon cutting and dedication of the six new courts the morning of the 3rd. An estimated crowd of 125

people were there and included the City Council, City Administrator, the Mayor, many of the money contributors and a number of horseshoe people.

You might be asking, how did these new courts get started and will they really be used? In the Spring of 2008, the Sesquicentennial Committee asked me if I would put on a horseshoe tournament. I agreed, but somehow it came out in the paper that the tournament was on July 3rd, 2008. Bob Curry and I scrambled to build two portable courts and held a partner tournament. The interest was quite surprising and we had to turn away a number of people. That led to my asking the Marengo City Council for permission to build six new courts on City property. They were favorable to it and said if the money could be raised, they would furnish the site.

The estimate for the project was \$10,850.00. I thought, *whew, that's a chuck of change!* With the help of a raffle, cooking hotdogs and burgers, seeking local business contributors and a benefit breakfast, soon we had enough funding. Construction started in the Fall and finished this Spring. Finding enough clay for the pits was a challenge, but again we succeeded.

On July 3rd, 2009 at 10:00 a.m., Veterans were asked to step front and lead us in the Pledge of Allegiance. Glenn Warden then led us in prayer. I introduced the City Council, the City Administrator and had the Mayor come forward to cut the ribbon. Our IHHPA President, LeRoy Law, spoke to the gathering. Then Leo Buell, Bob Hardy, Ron Rowley Vern Kollasch, Joe Smith, Glenn Warden and LeRoy Law took to the courts to demonstrate the various ways of pitching shoes. Horseshoe pitchers in the audience were given the chance to get help from some of the top pitchers in the State. Two hours of open court pitching followed by two hours of Pitch & Win concluded this wonderful event.

On June 8th, 2009, we started a Monday evening league consisting of 24 players and 6 subs. There is a great deal of interest in league play and may run two nights next year. On July 5th, we held a non-sanctioned tournament, building interest in the sport. Next year we are planning two non-sanctioned and at least one sanctioned tournament and would like to add lighting. Who knows, maybe we will have a number of pitchers at the World Tournament in Cedar Rapids next year.

*To Iowa members competing in Topeka, i wish to say good luck and remember you are representing all members of Iowa. Again, we wish you well.*

PUTT MOSSMAN TRIVIA & NEWS ARTICLES

While perusing through some of the old issues of The Horseshoe World magazine, IHHPA Member Pat Simon, Sr. found the following articles about Iowa's own Putt Mossman.

THE HORSESHOE WORLD - MAY, 1928  
BOSTON BRAVES GO IN FOR HORSESHOE PITCHING

Baseball players find horseshoe pitching an interesting sport when they are not engaged in their regular work, as is evidenced by the number of players who are now pitching Dobbin's castoffs. Putt Mossman, former national champion, while training with the Boston Braves, came as nearly converting the Braves players to horseshoes as they did Mossman to baseball at least he had a lot of them pitching the ROGER HORNSBY shoes before he had been a member of their camp long. Listed among the horseshoe enthusiasts are Rogers Hornsby, Ken Greenfield, Eddie Brown and Bobby Smith, all noted Boston Braves. It's a toss-up between Hornsby and Smith when it comes to horseshoes. Smith uses the one and one-quarter turn and Hornsby uses the one and three-quarter turn hold. Hornsby, noted Boston Braves star, uses the one and three-quarter turn when he pitches horseshoes. He enjoys the pastime very much and has mastered it very well in true Hornsby style.

NEW ALBANY TOSSER NEARS MOSSMAN MARK

William A. Brady, dean of New Albany (Ind.) horseshoe pitchers, came within one ringer of equaling the world's record for consecutive double ringers when he circled the pegs for 12 successive doubles in a game at the Elks' indoor courts recently. The record, 13 consecutive doubles, is held by Putt Mossman, Eldora, Iowa., former world's champion.

MOSSMAN RETURNS TO ONE  
AND ONE-QUARTER TURN

Putt Mossman, former National champ has returned to the use of his old hold—the one and one-quarter turn. He is having great success since the change. Mossman is going in for baseball and will also pitch exhibition games of horseshoe in Pennsylvania, and, Virginia, and other states this summer. The ex-champion is by no means out of the running and will be a strong contender for national honors the next time the national tournament is called, those who are watching his training predict.

PUTT" MOSSMAN HORSESHOES FOR PITCHING

Champions all over the country recommend and use them, including the World's Champion, C .C. Davis. Over 50% of State Championships were won with Mossman Shoes during 1927. Over 75% of the best players in the country are now using the Mossman Shoe. Patented Oct. 25, 1927 "Official" Hard and Soft Shoes Price Per Pair \$2.50 F.O.B., Rochester, N. Y. ### THRILLS CROWDS

Two large and interested galleries of persons witnessed the exhibition of trick and fancy horseshoe pitching, staged by "Putt" Mossman, 21-year-old ex-world's champion horseshoe tosser at J. Paul Delphey's motorcycle shop on West Patrick street Friday afternoon and night. Mossman will give two exhibitions again today at 2 o'clock, this afternoon and at 7 o'clock tonight. Mossman thrilled the crowd with his marvelous stunts with the shoes. One of the best tricks he did was to ignite a match placed upon the peg, while standing at the regulation distance. With one shoe he lit the match and with another he extinguished it. Another of his tricks consisted of ringing the pegs, which were concealed behind a blanket and could not be seen by him. Before the exhibition of trick and fancy horseshoe tossing, Mossman played a match game with Clarence Delphey and Charles Pearce, this city, and defeated them 25 to 1. Delphey and Pearce were permitted to count four shoes to Mossman's two. Today Mossman will reveal his best tricks, which consist of throwing ringers blindfolded, throwing ringers with a glass of water in front of the peg, throwing ringers with man standing on peg, and throwing ringers through a hoop, and many other tricks. The young horseshoe champion arrived in Frederick Friday afternoon from St. Petersburg, Fla., and is held here as a feature of "Open House Week," being conducted by Mr. Delphey. Mossman, who is a native of Iowa, holds a world's record of 85 ringers and has almost perfect control of the shoes.
