**Danny Sease checking out one of the cars by Pioneer Hall**

Danny Sease announced at the 2018 Iowa State Fair that he will be stepping down as Superintendent. He became Superintendent of the Iowa State Fair Horseshoe Event in 2002. During the past 15 years, he has taken a photo of every person awarded a ribbon in ISF competition. That's a lot of pictures!

In 1972, Danny started pitching horseshoes at Birdland Park in Des Moines. That was his first year of membership in the horseshoe pitching association. The Sease family spent 44 years as a team working with and promoting horseshoes. Danny's wife, Bobbie, and his four girls were always a part of it. Danny says that the state fair has been very special to all of them. He and his family appreciate all the support they have received from the many horseshoe pitchers over the years. Danny says that they made all of this possible.

As horseshoe pitchers, I know that we appreciate everything that Danny, Bobbie, and his girls have done for our sport.

Chris Jordan

### MEMBER NEWS

**MARV ENGSTLER Update:** Marv had surgery August 15<sup>TH</sup> He now has a permanent feeding tube. He is doing much better after the nasogastric tube was removed. He will continue to have therapy to hopefully gain some strength in his throat muscles. He went to Clear Lake recently to horseshoe. He is smiling again and is feeling better. He is hoping to return to the game. His goal is to get to the Iowa Games and State Fair next summer. Thank you for your continued support, prayers, encouragement to dad this past year. A side note, the surgeon who performed his surgery has also played horseshoes. Kindest regards,  
Mary Hanna (Daughter)  
You can e-mail him at dhanna@wctatel.net or send USPS at 2615 Hwy 69, Garner, IA 50438. She reports that Marv really enjoys hearing from his horseshoe family.

**PAT SIMON** is still unable to step out and support weight with his left leg to be able to pitch a shoe. He goes to Physical Therapy, his chiropractor, and the gym and slow improvement continues. He reports he is nearly pain free. He still has a "hiccup in my giddy-up" where he walks with a limp for a while after first standing up and his left leg "gives out" on him occasionally. Fortunately he hasn't fallen as a result. He will be back on the courts ASAP.

**STAN HANSON's** daughter reports he is improving slowly. He is getting rehab to get his strength back. She sends thanks for all the support. Cards can be sent to him at home address and she will take them to him. 1755 Waters Edge Dr., Pleasant Hill, IA 50327

**PAUL & PAT CLARK** escaped injuries by taking shelter in their basement as a tornado tore thru Marshalltown July 19th. Pat reports the noise was terrible with windows breaking and siding and awnings being torn off their house. They came up to shattered glass everywhere and a greenish color all over everything from shredded vegetation. Most of their windows were blown out, part of their steel garage door was in their driveway and the rest of it barely left hanging on the door frame. Their riding mower was in a neighbor's yard while the push mower and seeder were still in the same place as before the shed they were parked in was blown away. In their 3 season room, Paul's horseshoe plaques and ribbons still hung untouched while a wastebasket below them was gone. After their power was restored, they moved back home and things are slowly getting back to normal. However, vandals recently entered thru the not yet replaced 3 season room windows and stole Paul's bowling ball and bag plus a can of gas from their garage.

**DICK HUITT & wife Phyllis** celebrated their 50th Wedding Anniversary August 4<sup>th</sup>. **CONGRATULATIONS!**

**DOUG ANDERSON:** My health update is that I am slowly but steadily improving, in my eyes at least. None of this was on my radar. My right kidney was cancerous & removed. I didn't know that I would end up with complications after returning home but ended up back in U of I hospital for 8 more days from a hematoma (internal bleeding) that paralyzed my right leg. I am convalescing at home doing physical therapy hoping to get back to my new normal in a few weeks. I thank you for your thoughts & prayers through this time of healing. God is still sovereign in full control of our lives.

Doug Anderson

### Ralph Simon Memorial, July 7, 2018

A beautiful sunny morning greeted the pitchers as they arrived for the Ralph Simon Memorial Horseshoe Tournament held Saturday July 7<sup>th</sup> at the Byrnes Park Horseshoe Courts in Waterloo. Twenty eight players signed up for the event. We pitched 40 point games or 50 shoes whichever came first. Tom Cranston and Russ Martin, both in C class, and all 4 players in E class were the only ones who got their money's worth and got to pitch all 50 shoe games. Bob Engelmann was the only pitcher who got more than his money's worth pitching 50 shoes in 4 of his games and 58 shoes in his final game. Ronnie Burgess and Roz Smith tied for the least number of shoes with 198 apiece.

Class E was won by Paul Clark with a perfect 3-0 record. Class E also featured a Mother/Son match pitting Keith Denton against his mother Sue Schuette, in the final match of the day. It was a tight game with Sue ahead at 42 shoes.

However, Keith secured the win with a couple ringers in the final innings. Sue is the daughter of the tournament namesake, Ralph Simon, and sister to Pat who directed this event. This is Sue's first season pitching horseshoes and the first time she has pitched at the home-town courts. She further distinguished herself Saturday by reeling off her first ever double ringer in her match with Paul Clark. She was leading in that game too but these

veteran pitchers know how to close out a game and Paul slipped by Sue winning by just 4 points.

Class D honors went to Kevin Turbett who went 5-0 for the day. Bob Engelmann took 2<sup>nd</sup> place with a 4-1 record. Third place Rick Truitt, 3-2 for the day, had to be the hard luck

player of the day after dropping his 2 losses by a single point late in each match. We are going to see more from Rick. He pitched very well but just came up short.

Class C was won by Tom Cranston going 5-0. His toughest match of the day was against our nonagenarian, (a person who is 90 years or older) Russ Martin. Tom squeaked by Russ by just 4 points to take the win. Ever strong Kelly Turbett of Tama was 4-1 for 2<sup>nd</sup>. Henry Trumpold had the 2<sup>nd</sup> highest percentage for the class, but finished 3<sup>rd</sup>.

Class B was dominated by Skip Hills who came to play! Skip went 5-0 and took honors for the highest percentage game of the tournament hitting 23 ringers out of 34 shoes for 67.65%. He had a 2<sup>nd</sup> match where he hit 20 of 34 for 58.83%. Skip averaged an even 50% for the day. We will be seeing him in the A class soon if he keeps this up! Gary Hanchett was 2<sup>nd</sup> with 4-1. Larry Bolt took 3<sup>rd</sup> place with his 3-2 record.

Class A had Malcolm Clark and Larry Purcell tied at 4-1, with Malcolm taking first on his ringer percentage of 50.42%. Larry had to settle for 2<sup>nd</sup> with 47.48%. Vern Kollasch 3-2, had the highest ringer percentage for the class hitting 50.85%.

All in all we had a good tournament and I think most everyone had fun. We couldn't complain about the weather. It was warm but not too hot, humidity wasn't too bad and the breeze and plenty of water helped keep everyone cool and hydrated. We look forward to our next event September 1<sup>st</sup> and hope the weather will be as good if not better! Pat Simon  
(NOTE: September 1<sup>st</sup> tournament was cancelled due to rain)
